By Diana Tuorto

### Paws 2 Your Heart

Misha is a 2-year-old, 35- to 40-pound yellow lab mix. She is great with kids and other dogs. Spayed and up-to-date on shots, Misha would make the perfect addition to any family. Melanie is a 1-year-old domestic shorthair who is a sweetheart. She was brought into a kill shelter with her newborn babies; sadly, her babies were sick and did not make it, but this sweet girl then nursed two litters of orphaned kittens. Spayed and up-to-date on shots, Melanie is a great girl and is very affectionate. She's good with other cats and seems to be okay with dogs as well.

### Coming Home Rescue

Jax is a dog that has seriously impresses Coming Home's experienced fosters. He is a sweet and comical little guy who is about 10 pounds. Super friendly, Jax is great with kids and other dogs. Unusually, he listens and responds to children, as many dogs are tolerant of kids, but not always heedful. Just recently, Jax was walking near a ballfield when lots of kids wanted to meet him and he simply adored all the attention. Crate trained and house broken, Jax is just as happy in your lap as he is chasing things and rolling in the grass outside. Very affectionate and attentive boy.

Kayla is a calm and easy dog. She was an owner surrender who had been raised with children. Kayla has very nice manners and was obviously a recent mommy. She will take treats gently and doesn't mind having you near her food bowl. Now it's Kayla's turn to be babied by a new family who will love her forever.
